Explore the Cotswolds by public transport

Most of the Cotswolds is accessible by public transport. This timetable booklet accompanies a colour guide which introduces the Cotswolds Area of Outstanding Natural Beauty (AONB) and its attractions, together with public transport routes into and around the area. (Find out more about attractions in the Cotswolds AONB online by using an interactive map at www.cotswoldsaoib.org.uk.)

Northern, Central and Southern area timetables are available and two editions of each booklet are produced each year: May to December and December to May.

The 'Explore the Cotswolds by public transport' guide and timetable booklets are available free from your local Visitor Information Centre, the Cotswolds Conservation Board (see back cover) or can be downloaded from www.cotswoldsaoib.org.uk

You are reminded that operators of commercial bus services can change their routes and times with only eight weeks' notice. It is always advisable to check with the national Traveline or the bus operator. Owing to frequent engineering and renewal work, published Sunday train times can change at short notice – you are advised to check with National Rail Enquiries on 08457 48 49 50 before travelling.

NB: We recommend that the times given are used as a guide only and passengers should check with the operator before travelling. This is particularly in light of Government cuts that may affect bus services funded by local authorities.

 This symbol shows places that are on or very close to the Cotswold Way National Trail.
